Be it enacted by the Legislature of the State of Arizona:

Section 1. Section 9-801, Arizona Revised Statutes, is amended to read:

9-801. Definitions

Sec. 2. Repeal

Section 9-805, Arizona Revised Statutes, is repealed.

Sec. 3. Section 11-829, Arizona Revised Statutes, is amended to read:

11-829. Amendment of ordinance or change of zoning district boundaries; definition

A. A property owner or authorized agent of a property owner desiring an amendment or change in the zoning ordinance changing the zoning district boundaries within an area previously zoned shall file an application for the amendment or change. All zoning and rezoning ordinances, regulations or specific plans adopted under this article shall be consistent with and conform to the adopted county plan. In the case of uncertainty in constructing or applying the conformity of any part of a proposed rezoning ordinance to the adopted county plan, the ordinance shall be construed in a manner that will further the implementation of, and not be contrary to, the goals, policies and applicable elements of the county plan. A rezoning ordinance conforms with the county plan if it proposes land uses, densities or intensities within the range of identified uses, densities and intensities of the county plan.

B. The board of supervisors shall adopt by ordinance a citizen review process that applies to all rezoning and specific plan applications that require a public hearing. The citizen review process shall include at least the following requirements:

1 1. Adjacent landowners and other potentially affected citizens will be
2 notified of the application.

3 2. The county will inform adjacent landowners and other potentially
4 affected citizens of the substance of the proposed rezoning.

5 3. Adjacent landowners and other potentially affected citizens will be
6 provided an opportunity to express any issues or concerns that they may have
7 with the proposed rezoning before the public hearing.

8 C. Upon receipt of the application the board shall submit it to the
9 commission for a report. Prior to reporting to the board, the commission
10 shall hold at least one public hearing thereon after giving at least fifteen
11 days' notice thereof by one publication in a newspaper of general circulation
12 in the county seat and by posting of the area included in the proposed
13 change. If the matter to be considered applies to territory in a high noise
14 or accident potential zone as defined in section 28-8461, the notice shall
15 include a general statement that the matter applies to property located in
16 the high noise or accident potential zone. In case of a rezoning, the
17 posting shall be in no less than two places with at least one notice for each
18 quarter mile of frontage along perimeter public rights-of-way so that the
19 notices are visible from the nearest public right-of-way. The commission
20 shall also send notice by first class mail to each real property owner as
21 shown on the last assessment of the property within three hundred feet of the
22 proposed amendment or change and each county and municipality which is
23 contiguous to the area of the amendment or change. In proceedings involving
24 rezoning of land that is located within territory in the vicinity of a
25 military airport or ancillary military facility as defined in section
26 28-8461, the commission shall send copies of the notice of public hearing by
27 first class mail to the military airport. The notice sent by mail shall
28 include, at a minimum, the date, time and place of the hearing on the
29 proposed amendment or change including a general explanation of the matter to
30 be considered, a general description of the area of the proposed amendment or
31 change, how the real property owners within the zoning area may file
32 approvals or protests of the proposed rezoning, and notification that if
33 twenty per cent of the property owners by area and number within the zoning
34 area file protests, an affirmative vote of three-fourths of all members of
35 the board will be required to approve the rezoning. The following specific
36 notice provisions also apply:

37 1. In proceedings that are initiated by the commission involving
38 rezoning, notice by first class mail shall be sent to each real property
39 owner, as shown on the last assessment of the property, of the area to be
40 rezoned and all property owners, as shown on the last assessment of the
41 property, within three hundred feet of the property to be rezoned.

42 2. In proceedings involving one or more of the following proposed
43 changes or related series of changes in the standards governing land uses,
44 notice shall be provided in the manner prescribed by paragraph 3 of this
45 subsection:

1 (a) A ten per cent or more increase or decrease in the number of
2 square feet or units that may be developed.

3 (b) A ten per cent or more increase or reduction in the allowable
4 height of buildings.

5 (c) An increase or reduction in the allowable number of stories of
6 buildings.

7 (d) A ten per cent or more increase or decrease in setback or open
8 space requirements.

9 (e) An increase or reduction in permitted uses.

10 3. In proceedings governed by paragraph 2 of this subsection, the
11 county shall provide notice to real property owners pursuant to at least one
12 of the following notification procedures:

13 (a) Notice shall be sent by first class mail to each real property
14 owner, as shown on the last assessment, whose real property is directly
15 affected by the changes.

16 (b) If the county issues utility bills or other mass mailings that
17 periodically include notices or other informational or advertising materials,
18 the county shall include notice of such changes with such utility bills or
19 other mailings.

20 (c) The county shall publish such changes prior to the first hearing
21 on such changes in a newspaper of general circulation in the county. The
22 changes shall be published in a display advertisement covering not less than
23 one-eighth of a full page.

24 4. If notice is provided pursuant to paragraph 3, subdivision (b) or
25 (c) of this subsection, the county shall also send notice by first class mail
26 to persons who register their names and addresses with the county as being
27 interested in receiving such notice. The county may charge a fee not to
28 exceed five dollars per year for providing this service and may adopt
29 procedures to implement this paragraph.

30 5. Notwithstanding the notice requirements set forth in paragraph 2 of
31 this subsection, the failure of any person or entity to receive notice shall
32 not constitute grounds for any court to invalidate the actions of a county
33 for which the notice was given.

34 D. If the planning commission or hearing officer has held a public
35 hearing, the board may adopt the recommendations of the planning commission
36 or hearing officer through use of a consent calendar without holding a second
37 public hearing if there is no objection, request for public hearing or other
38 protest. If there is an objection, a request for public hearing or a
39 protest, the board shall hold a public hearing thereon at least fifteen days'
40 notice of which shall be given by one publication in a newspaper of general
41 circulation in the county seat and by posting the area included in the
42 proposed change. In counties with territory in the vicinity of a military
43 airport or ancillary military facility as defined in section 28-8461, the
44 board shall hold a public hearing if, after notice is mailed to the military
45 airport pursuant to subsection C of this section and before the public

1 hearing, the military airport provides comments or analysis concerning the
 2 compatibility of the proposed rezoning with the high noise or accident
 3 potential generated by military airport or ancillary military facility
 4 operations that may have an adverse impact on public health and safety, and
 5 the board shall consider and analyze the comments or analysis before making a
 6 final determination. After holding the hearing the board may adopt the
 7 amendment, but if twenty per cent of the owners of property by area and
 8 number within the zoning area file a protest to the proposed change, the
 9 change shall not be made except by a three-fourths vote of all members of the
 10 board. If any members of the board are unable to vote on the question
 11 because of a conflict of interest, the required number of votes for the
 12 passage of the question is three-fourths of the remaining membership of the
 13 board, except that the required number of votes in no event shall be less
 14 than a majority of the full membership of the board. In calculating the
 15 owners by area, only that portion of a lot or parcel of record situated
 16 within three hundred feet of the property to be rezoned shall be
 17 included. In calculating the owners by number or area, county property and
 18 public rights-of-way shall not be included.

19 E. The planning commission ~~may~~, on its own motion, MAY propose an
 20 amendment to the zoning ordinance and ~~may~~, after holding a public hearing as
 21 required by this chapter, MAY transmit the proposal to the board which shall
 22 thereupon proceed as set forth in this chapter for any other amendment.

23 F. Notwithstanding ~~the provisions of~~ title 19, chapter 1, article 4, a
 24 decision by the governing body involving rezoning of land which is not owned
 25 by the county and which changes the zoning classification of such land or
 26 which changes the zoning standards of such land as set forth in subsection C,
 27 paragraph 2 of this section may not be enacted as an emergency measure and
 28 such a change shall not be effective for at least thirty days after final
 29 approval of the change in classification by the board. Unless a resident
 30 files a written objection with the board of supervisors, the rezoning may be
 31 enacted as an emergency measure that becomes effective immediately by a
 32 four-fifths majority vote of the board for those counties with five or more
 33 supervisors or a two-thirds majority vote of the board for those counties
 34 with less than five supervisors.

35 G. The legislature finds that a rezoning of land that changes the
 36 zoning classification of the land or that restricts the use or reduces the
 37 value of the land is a matter of statewide concern. Such a change in zoning
 38 that is initiated by the governing body or zoning body shall not be made
 39 without the express written consent of the property owner. In applying an
 40 open space element or a growth element of a county plan, a parcel of land
 41 shall not be rezoned for open space, recreation, conservation or agriculture
 42 unless the owner of the land consents to the rezoning in writing. For the
 43 purposes of this subsection, rezoning does not include the creation or
 44 expansion of overlay zones solely for the purpose of implementing airport
 45 safety and protection. Rezoning also does not include the redesignation of

1 areas of the county to which the residential provisions of the county
2 building codes ~~or the state plumbing code~~ apply or do not apply. The county
3 shall not adopt any change in a zoning classification to circumvent the
4 purpose of this subsection.

5 H. For the purposes of this section, "zoning area" means the area
6 within three hundred feet of the proposed amendment or change.

7 Sec. 4. Section 11-861, Arizona Revised Statutes, is amended to read:

8 11-861. Adoption of codes by reference; limitations; method of
9 adoption

10 A. In any county which has adopted zoning pursuant to this chapter,
11 the board of supervisors may adopt and enforce, for the unincorporated areas
12 of the county so zoned, a building code and other related codes to regulate
13 the quality, type of material and workmanship of all aspects of construction
14 of buildings or structures, except that the board may authorize that areas
15 zoned rural or unclassified may be exempt from the provisions of the code
16 adopted. Such codes may be adopted by reference after notice and hearings
17 before the county planning and zoning commission and board of supervisors as
18 provided in this chapter for amendments to the zoning ordinance of the
19 county.

20 B. The board of supervisors may adopt a fire prevention code in the
21 unincorporated areas of the county in which a fire district has not adopted
22 the uniform fire code pursuant to section 48-805. Any fire code adopted by a
23 board of supervisors pursuant to this subsection shall remain in effect until
24 a fire district is established and adopts a code applicable within the
25 boundaries of the district.

26 C. For the purpose of this article, codes authorized by subsections A
27 and B of this section shall be limited to the following:

28 1. Any building, electrical, PLUMBING, or mechanical code that has
29 been adopted by any national organization or association that is organized
30 and conducted for the purpose of developing codes or that has been adopted by
31 the largest city in that county. If the board of supervisors adopts a city
32 code, it shall adopt, within ninety days after receiving a written
33 notification of a change to the city code, the same change or shall terminate
34 the adopted city code.

35 2. Any fire prevention code that has been adopted by a national
36 organization or association organized or conducted for the purpose of
37 developing fire prevention codes and that is as stringent as the state fire
38 code adopted pursuant to section 41-2146.

39 D. The board of supervisors may adopt a current wildland-urban
40 interface code. The code may be adapted from a model code adopted by a
41 national or international organization or association for mitigating the
42 hazard to life and property. The board must follow written public procedures
43 in the development and adoption of the code and any revisions to the code to
44 provide effective, early and continuous public participation through:

- 1 1. The broad dissemination and publicity of the proposed code and any
- 2 revisions to the code.
- 3 2. The opportunity for submission and consideration of written public
- 4 comments.
- 5 3. Open discussions, communications programs and information services.
- 6 4. Consultation with federal agencies and state and local officials.
